PE Court Shade Brick Fundraiser

Dear Parents;

We are so excited to inform you that we will be getting a PE Court shade covering for next school year. Construction will begin on June 10th, so it will be ready for next school year. This is something that has been needed for quite some time and is a big benefit for the students. Last fall I took the temperature on the PE court on a day that had an ambient air temperature of 95 degrees. In the breeze way next to the school in the shade the temperature was 85 degrees, on the PE court the temperature was 115 degrees. The shade will not only protect the students from the heat, but it will also protect the students from the harmful sun. Students will be able to look during our activities without having the sun in their eyes and will be in a safer environment. Not only will the PE students benefit from this but other classes will also be able to use the new shaded court when it is not in use.

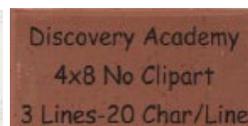

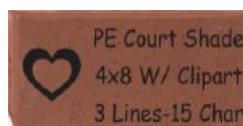

The school has given us a financial head start by allocating \$75,000 towards the project but we need to raise some more. This is where our awesome parents, community members and supporters come in. We are holding a "Brick Fundraiser" to help raise money and to also recognize the people who helped make this happen.

8x8 Brick \$250

8x8 Corporate Logo
Brick \$500

4x8 Brick \$100

There is a simple link that you can use to purchase a brick. The bricks can be designed to say what you want on them in support of our project. The proceeds from the bricks are given to the school from the company minus a small fee they keep for the bricks and doing the inscribing. Families, individuals and businesses can all purchase these to support the cause. The bricks will be delivered to the school and will be displayed by the PE court in a tasteful fashion, recognizing our contributors. There will be a competition among classes here at school. Any class that raises at least **\$1,500** will participate in a pizza party with Coach Bartlett and Coach Heppel! There is nothing to sell or collect, all we need you to do is to pass this along this website (<https://www.fundraisingbrick.com/online-orders/discoveryacademy/>) via word of mouth and social media to all of the friends, relatives and business owners you know. All current and future DAS students will benefit from this. Please help support our cause by contributing to our fund. This is the only fundraiser that the PE program is doing this year and we need your help!

If you would like to donate to the cause without purchasing a brick you can donate directly to DAS at: <http://dasschool.corecommerce.com/cart.php>

Thank you,
Discovery Academy of Science
