Thank you to our
sponsors...

Discovery Academy of Science would like to take this moment to thank ALL of our event sponsors! Without you, this annual celebration would not be possible. It is and always has been our goal to raise money to enhance our educational program such as clubs, enrichment programs, and hands-on classroom materials . In addition to raising money for our academic programs, Discovery Academy of Science wants to also raise money to enhance our beautiful new campus even further with shade and rain awnings, benches and so much more.

Thank you for helping make this goal a reality!
